SHEER NYLONS

by
HAROLD A. SATTER

A woman's legs adorned in sheer nylons offer a never-ending supply of eye appealing angles which has been and always will be an eternal treat to the average male looking for SHEER DELIGHT. The SHEER DELIGHT holds true to all phases of life from the man on the street corner to the business world. The advertising market in the business world places strong emphasis on the SHEER DELIGHT derived from associating any given product being brought to the attention of the public by placing it alongside a pair of shapely legs wearing their nylons,

thus achieving the dollar of ads. Therefore, since the SHEER DELIGHT of a woman's legs adorned in sheer nylons has become a standard in the advertising world, we will have none in the "bare-legged" situation. Even with the foregoing fact established there are still women remaining "bare-legged" who have yet to realize the importance that their nylons play in the transfiguration of scrawny bare legs into legs radiating with SHEER DELIGHT.

BLONDE CHEESECAKE

by
ELMER A. BATHUR

Gentlemen (and ladies!) for the past century the famous slogan has been doing its utmost to conquer women's hearts for the blonde. It is quite obvious to note the countless in various ways and shapes found among blondes, the number that just don't measure up to the SHEER DELICIOUS of a gentleman when it comes to his preference. Therefore, with this in mind, we present an assortment of blondes with complete physical details that are striking and often times fatal to men (especially gentlemen). Here is a number of prototypes of blondes that to the eye are SHEER DELICIOUS which we believe are of the type being referred to by their old and familiar slogan: GENTLE WOMEN PRODU SUGAR.

THE FULL FIGURE

by

ELMER A. BATTEN

THE SHOCK DELIGHT that radiates from the full figure is clear from a statue, painting or photograph, lies in the eyes of the beholder. The beauty emphasized in the full figure is basically that quality which gives SHOCK DELIGHT to the gaze of sight suggesting that the beauty of the subject is all approximate, when conception of an ideal. To capture this quality of beauty from the full figure has been and always will be a challenge to the aesthetic type person as far back as the year 500 B. C. when Greek culture was recognized as the epitome of aesthetic art. Today just as thousands of years ago beauty still lies in the eyes of the beholder and the SHOCK DELIGHT derived from capturing the sensual beauty of the full figure is just as prevalent among photographers as it was with the sculptors of ancient Greece.

PIN-UPS WITH SHEER DELIGHT

By
Beverly Squires

SHEER DELIGHT is pin-up photography in that delightful quality which exists only when a pin-up picture of an attraction girl is capable of attracting and then capturing the undivided attention of any and all persons who encounter the form of art. Like any debatable subject, is the value or potency the quality of SHEER DELIGHT realized from pin-up pictures can be and always will be the object of condemnation by various groups of people who fail to appreciate it. At the present time it is up to not inside the department of pictures appearing in various men's magazines that lack the quality of SHEER DELIGHT. When the picture of an attraction girl comes up of an intended pose against a shabby and worn background for a setting with improper lighting, I will surely produce the effect of SHEER DELIGHT and not SHEER DELIGHT.
